ISTANBUL
welcomes you all

Dear Colleagues,

It's a great pleasure for ECREA and ILAD to invite you to Turkey for the 4th European Communication Conference which will be held in Istanbul on October 24-27, 2012.

Istanbul is one of the world's most magical and enchanting cities. The two continents of Europe and Asia meet and embrace here across the Bosphorus, carrying with them unique flavors of the Orient and the Occident.

Our Congress theme is: "Social Media and Global Voices" ECC 2012 conference in Istanbul, located at the crossroads of the East and West, North and South, will provide a perfect platform to discuss the profound transformations that are taking place globally in the mass mediated societies. While social media will be the particular focus at this conference, contemporary topics are encouraged, regarding the old and the new within the European communicative sphere which converged under the memories of empires, hopes of western republics and harsh realities of global capitalism.

We are looking forward to welcoming participants from all countries to this exciting city in October 2012.

Let's meet where the continents meet, Istanbul 2012!
